The Beaulieu Estate, in the heart of the New Forest, stretches across seven thousand acres of historic heath and woodland. The idyllic surroundings of the forest and tranquil Beaulieu River create a unique setting for your wedding. Beaulieu Abbey was one of the largest Cistercian monasteries in England. The historic Domus, one of only two buildings remaining from the original 13th century Abbey, was formerly the lay brothers' dormitory and now provides an enchanting and unique setting for up to 130 wedding guests.

Palace House, the Montagu family home since 1538, is built around the Great Gatehouse to Beaulieu Abbey. It is set in glorious grounds and gardens with immaculate spreading lawns and pathways overlooking the Beaulieu River. The House provides a beautiful setting for smaller, more intimate, Wedding Ceremonies and receptions for up to 36 guests.

Alternatively, our Marquee, surrounded by Beaulieu's stunning grounds, can be set up to accommodate larger numbers of between 300 and 3,000 guests. This larger space can be themed to create a unique atmosphere for your special day.

For something very quirky and unusual, you can host your civil ceremony, wedding breakfast or an evening drinks reception in the world-famous National Motor Museum with its collection of over 250 vehicles from every motoring era. The World of Top Gear Enormodrome offers another unique location for your Wedding. You can also transport your guests around the Beaulieu grounds on the Veteran London Bus and high-level Monorail.
