Provided the stand space(s) can be re-let and provided all passes/tickets have been returned, refunds will be made as follows; **30 days + in advance of the Friday of the event**—10% administration fee deducted, **less than 30 days but more than 7 days in advance**—30% administration fee deducted, **less than 7 days**—No refund will be given.

Beaulieu Events Health & Safety Declaration

PLEASE COMPLETE AND TAKE A COPY FOR YOUR RECORDS

Traders and exhibitors wishing to attend a Beaulieu Event are required to complete the Health & Safety documentation.

It is a requirement for all exhibitors to carry out an assessment of risks that are created as a result of their activities which could affect the health and safety of themselves, their employees and anyone else (such as contractors, helpers and members of the public etc).

Any marquee or similar structure must conform to the Construction (Design and Management) Regulations 2015.

The risk assessment should take account of significant risks that are created during event set up, the duration of the event and any activities during event break down.

When completing your assessment remember:

- · A hazard is anything that may cause harm, e.g. objects left in walkways, trailing cables, the layout of your display.
- The risk is the chance that someone may be harmed by these or any other hazards.

The correct name, address and telephone number overleaf

Signed your agreement (front of form)

Filled in your stand space requirements and given a total cost

Included payment and/or filled in the credit card payment information

Filled in the Health & Safety details above and signed the Health & Safety Declaration

You should complete a risk assessment that details the significant risks posed by your operations covering set-up, the event and closure. The onus is on you to ensure suitable and sufficient controls are implemented to reduce those risks. You will need to have this assessment available on your stand throughout the duration of the event.

If an accident or incident occurs, the Investigating Authorities will ask to see evidence of a risk assessment, to satisfy themselves that the person(s) responsible have taken all reasonable measures to control these hazards and risks.

To help you we have prepared the checklist below. Although not exhaustive, it outlines some of the more common hazards. Please indicate those issues that are applicable to your stand.

| Power cables crossing gangways | Identify potential haza | ards which could harm exhibitors | /visito | ors/Beaulieu staff/co | ntractors | | | |
|--|---|--|---------------------------|--|--|------|--|--|
| Power tools Overloading Generators Adverse Weather: Gazebos, plastic coverings etc flying off in the wind Unloading / Loading: Objects falling from heights Objects falling from vehicles PLEASE NOTE: It is your responsibility to ensure suitable and sufficient controls are implemented to reduce those risks. Please tick below any of the precautions which you will be putting in place to avoid these hazards All items kept within allocated space Generators placed safely away from other displays, exhibitors and walls of marquees All cables safely located Careful positioning of vehicles facing down the gradient (for safe unloading) Other: (please state): Additional Safety Measures: Any business is required to put measures in place that prevent the spread of infection amongst staff, volunteers and ustomers. You should factor in safety measures to your risk assessment and adhere to any Government guidance in place at the time of the event. HEALTH & SAFETY DECLARATION I/We acknowledge the Health & Safety and Terms and Conditions of Beaulieu Enterprises Limited as contained in the Event Booking Information, and confirm it will be complied with in addition to our own responsibility under the Health & Safety at Work Act 1974 and all its subordinate regulations which apply.
