# Beaulieu Events Health & Safety Document

## PLEASE COMPLETE AND TAKE A COPY FOR YOUR RECORDS

**Traders and exhibitors wishing to attend a Beaulieu Event are required to complete the Health & Safety documentation.**

It is a requirement for all exhibitors to carry out an assessment of risks that are created as a result of their activities which could affect the health and safety of themselves, their employees and anyone else (such as contractors, helpers and members of the public etc).

Any marquee or similar structure must conform to the Construction (Design and Management) Regulations 2015.

The risk assessment should take account of significant risks that are created **during event set up, the duration of the event and any activities during event break down.**

When completing your assessment remember:

- A hazard is anything that may cause harm, e.g. objects left in walkways, trailing cables, the layout of your display.
- The risk is the chance that someone may be harmed by these or any other hazards.

**You should complete a risk assessment that details the significant risks posed by your operations covering set-up, the event and closure. The onus is on you to ensure suitable and sufficient controls are implemented to reduce those risks. You will need to have this assessment available on your stand throughout the duration of the event.**

If an accident or incident occurs, the Investigating Authorities will ask to see evidence of a risk assessment, to satisfy themselves that the person(s) responsible have taken all reasonable measures to control these hazards and risks.

To help you we have prepared the checklist below. Although not exhaustive, it outlines some of the more common hazards.

### Identify potential hazards which could harm exhibitors/visitors/Beaulieu staff/contractors

<b>Slips / Trips on:</b>	Items protruding into gangways <input type="checkbox"/>	<b>Other Hazards:</b>	Carrying heavy objects <input type="checkbox"/>
	Power cables crossing gangways <input type="checkbox"/>		Power cables <input type="checkbox"/>
<b>Electrical:</b>	Power cables <input type="checkbox"/>		Coverings becoming loose <input type="checkbox"/>
	Power tools <input type="checkbox"/>		Chemicals <input type="checkbox"/>
	Overloading <input type="checkbox"/>		Sharp objects <input type="checkbox"/>
	Generators <input type="checkbox"/>		Heating / cooking equipment <input type="checkbox"/>
<b>Adverse Weather:</b>	Plastic coverings etc <input type="checkbox"/>		
	flying off in the wind <input type="checkbox"/>		
<b>Unloading / Loading:</b>	Objects falling from heights <input type="checkbox"/>		
	Objects falling from vehicles <input type="checkbox"/>		

**Other: (please state)** .....  
.....  
.....

## PLEASE NOTE: It is your responsibility to ensure suitable and sufficient controls are implemented to reduce those risks.

### Please tick below any of the precautions which you will be putting in place to avoid these hazards

All items kept within allocated space <input type="checkbox"/>	Generators placed safely away from other displays, exhibitors and walls of marquees <input type="checkbox"/>
Stand coverings fixed securely & within stand space <input type="checkbox"/>	Lighting/heating/cooking placed safely <input type="checkbox"/>
All cables safely located <input type="checkbox"/>	Careful positioning of vehicles facing down the gradient (for safe unloading) <input type="checkbox"/>
Extra fixings in windy conditions <input type="checkbox"/>	
Heavy items secured <input type="checkbox"/>	

**Other: (please state):** .....  
.....

**Additional Safety Measures:** Any business operating is required to put measures in place that prevent the spread of infection amongst staff, volunteers and customers. You should factor in safety measures to your overall risk assessment and adhere to any Government guidance in place at the time of the event.

### Before returning your booking form please check that you have:
